How to register? Applications are taken on a first-come, first-served basis. Registrations are taken ONLY by mail or dropped off to your preschool teacher. Payment may be made by check, or money order. No cash will be accepted. Prices include instruction, materials, and the specified field trip.

Confirmations: Once your registration has been processed, we will send you a confirmation. If you do not receive a confirmation within 30 days, please call 801-556-6461 to verify that we received your registration. Do not assume that your child is registered.

Full camps and waiting lists: If your selected camp is full, we will notify you and ask if you wish to place your child on the waiting list, or if you prefer a different camp.

Cancellations and refunds: If you cancel and request a refund 30 days before camp, you will receive a full refund less a \$25 cancellation fee. No refunds will be given for cancellations received less than 30 days before the start of camp.

Summer Camp T-Shirts: Each camper receives one summer camp T-shirt each summer during the first camp for which he or she is registered. Campers are expected to wear their T-shirts on field trips.

What about medications? Stepping Ahead Preschool staff does not take responsibility for or administer any medications during camp. If a camper requires medication during the day, a parent is welcome to make arrangements to meet the child at the needed time.

What not to bring! No toys, or valuable items. If a child is found with a toy, the object—including electronic toys such as game-boys, ipods, and mp3 players—will be taken away from the child and returned to the parent at the end of the day. We are not responsible for any items your child brings to camp.

What to wear? Stepping Ahead Preschool is a hands-on adventure, so please have your child dress appropriately. This includes both clothes and shoes that can get dirty. Closed toe shoes will be required during the field trip, please—no flip flops!
