

## Preschool Summer Camps

The Preschool Summer Camp Program is especially designed for kids; ages 3-5 years of age (must be 3 years old and potty trained at the time of registration). Campers will participate in camp themes designed just for them. We include activities in arts, crafts, games, stories, science and outdoor activities.

Enjoy lots of hands on opportunities and social interaction this summer.

Seven camps are offered this summer beginning June 16<sup>th</sup> and run Monday through Thursday 9:00–11:30am. Cost is \$85/session and is for children 3-5 years old.

The program is intended to offer children with a secure and comfortable learning environment that will afford them the opportunity to realize their potential and to function as a caring, self directed individual; responsible to themselves and others.

To highlight and maximize summer fun, camp weeks are focused on many exciting themes. This year's program costs also include the cost of healthy snacks and a field trip. **Register early.**

For information regarding any of the camps, call **801-556-6461**

Session Fitness Frenzy	June 16-19
Session Great Explorers	June 23- 26
Session Summer Soaker	June 30-July 3
Session Science Excites Me!	June 30-July 3
Session Little Critters Camp	July 7-10
Session Underwater Creature Feature	July 14-17
Session Our furry friends	July 21-24
Session Summer Soaker	July 28-31

**Fitness Frenzy:** Children will get the opportunity to create zany dances using streamers and scarves, tumbling on mats and have creative movement through stories and music. Learn balance and eat some fun healthy foods! Our field trip will be to the Tree House Athletic Club for an extra special activity.

**Great Explorers:** Is your preschooler ready for adventure? Let's look for science clues, discover maps, go on a scavenger hunt and remember the days of the dinosaurs! We'll find hidden treasures along the way! Our field trip will be to the Dinosaur Museum.

**Summer Soaker:** Children will enjoy water balloons, squirt guns, human size bubbles and participate in a luau with all the fun beach party games. Our Field Trip will be to the Tree House for a swim!

**Science Excites Me!** Do you have a young scientist defying gravity, experimenting with magnets and fascinated by light? Get ready for a week of mysterious science topics bound to inspire them. Our field trip is to Hansen Planetarium.

**Our Furry Friends:** Children will have fun making arts and crafts using all different kinds of materials to be creative. We will also have a special 4-legged quest brought into class. A field trip to Thanksgiving Point's Farm will be unforgettable and hands on!

**Underwater Creature Feature:** How many legs do octopuses have? How big are Sea Horses? This will be an amazing week of learning about our Ocean life. Our field trip will be to the Sandy Aquarium for hands on exhibits.

**Little Critters Camp:** Lift up a log, watch the surface of a creek, peek under a rock. Who do you see? You'll find some of the most amazing critters in this camp, including some you've never seen! Our Field trip is to the Wheeler Farm. (Also, the Zoo will come with reptiles and other critters for the children to enjoy).
