Welcome to Stepping Ahead Preschool

Tuition: Tuition is due by the 5th of every month. Tuition paid after the 5th will require a \$15.00 late fee. Checks should be written out to Stepping Ahead Preschool.

Class Time: Morning Classes are at 9:30 a.m. to 12:00 p.m.

Afternoon Classes are 12:30 p.m. to 3:00 p.m.

Classes begin August 4, 2008 and ends June 24, 2009.

Drop off & Pick up: It is important for the safety of the child that you stay in your car and pull up properly to the curb. The teacher will see your child out of the car seat as well as put your child into their car seat at the end of class.

DO NOT BE LATE: It is very important that everyone is on time picking up his or her child. **A \$1.00 a minute late charge** will be added to the following month's tuition.

Vacations: All of us take them. **I DO NOT** prorate any time missed from class. Just as you don't pay more in the month of March you don't pay less in the month of December.

Calendars: A calendar will be submitted every month for the following month. Please refer to it often, some days the children are asked to wear or bring something to share with the class. Everything you need to know is on the calendar. This keeps preschool running in an organized manner.

Birthdays: A favorite day for everyone. The birthday child is the class helper for the day and is given special attention. I invite parents to send the child's favorite treat to share with the class that day. Those birthdays in the summer are not forgotten. We hold a **Birthday Bash** in May.

VIP Week: During our open house you should have signed your child up for his or hers VIP week. That week we ask that you bring a ½ of poster board with pictures of your child. Your child's favorite treat can be shared that week with his/her classmates during snack time if you choose.

Open House: During open house you were invited to bring your child to meet his/her teacher, sign up for VIP week, sign to help with holiday parties and field trips, pick up your child's folder and pay first and last months tuition with a signed release form. If you have not done any of the above please do so. This will prevent any missed child's VIP Week and the opportunity to be involved with your child's school activities.

Mission Statement

To provide a caring and nurturing environment, allowing your child to contribute their ideas to help them step their way to Kindergarten.
